

ROHAN SINGH

Machine Learning Software Engineer

Delhi, India | rohan.singh@example.com | +91 98712 34567

PROFESSIONAL SUMMARY

Software Engineer specializing in machine learning applications, Python development, data processing, and REST API development.

EDUCATION

M.Tech in Artificial Intelligence, IIT Hyderabad | 2021–2023; B.Tech in Computer Science | 2017–2021

EXPERIENCE

- Machine Learning Engineer, AIWorks Labs | Sep 2023–Present: Developed Python ML services; built model-serving APIs; performed preprocessing and feature engineering; developed classification systems.

PROJECTS

- Resume Screening System: NLP-based classification and skill extraction using Python, Scikit-learn and FastAPI.
- Product Recommendation Engine: Recommendation model with REST API.

TECHNICAL SKILLS

Python, SQL, Java | Scikit-learn, Pandas, NumPy | NLP, Machine Learning | FastAPI, Flask | PostgreSQL, MongoDB | Docker, Git

CERTIFICATIONS & ACHIEVEMENTS

Machine Learning Specialization; TensorFlow Developer Certification | Co-authored NLP research paper
