

ARINA MOHAMAD EHAB MUKADAM

B.E CSE (AI/ML) | AI/ML & Computer Vision

Ratnagiri, Maharashtra • +91 9767701274 • arinamukadam12@gmail.com

PROFILE

Computer Science and Engineering (AI/ML) undergraduate with a 9.07 CGPA and hands-on experience in Python, computer vision, machine learning, and Raspberry Pi-based systems. Interested in developing practical AI-driven solutions for real-world problems. Project work recognized through two first-prize achievements.

EDUCATION

Finolex Academy of Management and Technology (FAMT)

B.E – Computer Science & Engineering (AI/ML) | 2024–2027

CGPA: 9.07/10

Government Polytechnic Ratnagiri

Diploma in Computer Engineering | 2021-2024 | (Aggregate of Semesters 5 & 6): **88.57%**

Sacred Heart Convent School, Ratnagiri

SSC Percentage: **87.40%**

TECHNICAL SKILLS

Programming	Python, C++
AI / ML	TensorFlow, PyTorch, Scikit-learn
Data	Pandas, NumPy
Computer Vision	OpenCV, Image Processing, Object Detection
Hardware	Raspberry Pi

PROJECTS

SMART WHITE CANE

Python | Raspberry Pi | OpenCV | Computer Vision | Object Detection

- Developed an assistive navigation system for visually impaired users to detect and respond to obstacles.
- Implemented computer-vision-based object detection using a limited dataset to identify surrounding objects.
- Integrated audio feedback through headphones for object identification and directional guidance.
- Added vibration and audible alerts for obstacles and sudden hazards such as approaching vehicles.

1st Rank – AI-Powered Solution Expo 2026: Demo Days for AI Prototypes • First Prize – Best Project Competition, FAMT 2026

SMART MAILBOX SYSTEM

Python | Raspberry Pi | OpenCV | Image Processing

- Developed a smart mailbox for receiving documents when the owner is unavailable.
- Captured images of individuals placing documents using Raspberry Pi and OpenCV.
- Automated email notifications to alert the owner when documents are received, with captured images for verification.

TRAINING & ACHIEVEMENTS

Industrial Training – Cyber Security

Agratas Edutech | 2025

- Completed a hands-on industrial training program focused on Cyber Security.
- Participated in a college-level Hackathon.
- 1st Rank – AI-Powered Solution Expo 2026; First Prize – Best Project Competition 2026.**
